[REDACTED] came to New York and subsequently to Los Angeles where [REDACTED] visited with [REDACTED] Colony and was staying with [REDACTED]. [REDACTED] felt that [REDACTED] should furnish to the authorities in some manner the results of [REDACTED] experience in Casino. [REDACTED] was afraid to furnish it to the [REDACTED] as he said he did not trust them. [REDACTED] felt that [REDACTED] would also like to somewhat protect [REDACTED] identity as a source of information to this government. [REDACTED] took into confidence several of [REDACTED] friends in Hollywood, among them [REDACTED] the others [REDACTED] did not identify. One of these friends recommended that [REDACTED] write a letter to IRENE PEARSON, the writer of a Washington, D. C. newspaper column, "Washington Merry Go Round". It was explained that PEARSON had governmental connections and would see that the information reached the proper authorities. Subsequently, with the aid of [REDACTED] a letter in [REDACTED] was drafted and forwarded to IRENE PEARSON on May 13, 1947 setting forth in substance the story related to agents.

[REDACTED] believed that agents contacted them with regards to this letter and in view of this fact agents were able to fully protect their source of information, namely, [REDACTED]

Both [REDACTED] were very cordial and fully cooperative during the interview, which was rather rushed, as [REDACTED] was getting ready to leave for Martinique. [REDACTED] was observed leaving [REDACTED] residence accompanied by [REDACTED] and another individual who was a young [REDACTED] approximately twenty-one years of age, who was driving a 1941 Chevrolet convertible coupe bearing California license for 1947, [REDACTED]. There is attached a copy of a communication dated June 5, 1947, from the Bureau's office in Los Angeles. It will be noted that this communication contains a rather fantastic story received from one [REDACTED] who claimed to have been in Brazil during the first week of March of this year. [REDACTED] claimed to have observed in the town of Casino, near the Uruguayan border, two individuals whom [REDACTED] believed identical with Adolph Hitler and Eva Braun.

It is desired that through police contacts you advise as to the accuracy of the information set forth in this communication, especially as to the German population of the town of Casino, the hotel mentioned, and the necessity to have passes to travel in that area. It is not believed necessary for you personally to travel to Casino.

Dear Mr. Hoover: *Alfred H. Jones*

In a paper or magazine recently I saw a poll on whether Hitler was alive and maybe in this country.

In looking through our files this morning I came across some correspondence that by the merest chance might be of help if Hitler should be hiding here.

[REDACTED] was in Wythville, Virginia and we heard he was in Black Mountain, North Carolina. We did not hear from him any more, telegrams, phone calls, letters were not answered after he went to North Carolina. We assumed he bought a farm there, possibly the one we wrote him about.

Jesse Jones, big man in Roosevelt's administration, his brother owned the farm we wrote [REDACTED] about. Mr. Jones brother is a doctor and I think lives in Waco, Texas.

In reading my letter looks like I got the cart before the horse, correspondence I am enclosing will explain.

I am one of many others that thinks Hitler is still alive, and possibly here in the good country we are so fortunate as to live in.

[REDACTED] INFORMANT

Reference is made to your letter to the Bureau dated June 5, 1947, in the above captioned matter.

There is enclosed copy of a letter to the Bureau from Rio de Janeiro, Brazil, dated August 6, 1947, reflecting investigation of this matter. Photostatic copies of letters which were furnished to the Bureau as enclosures with this letter advise that [REDACTED] and [REDACTED] were travelling in Martinique, French West Indies, at which time they contacted the American Consular Service and furnished to them a report addressed to Special Agents [REDACTED] and [REDACTED] Federal Bureau of Investigation, 510 South Spring Street, Los Angeles, California, U.S.A. It was requested that the report be forwarded through special channels to avoid possible censorship. This report, which is in French is apparently a summary of the information furnished by [REDACTED] to your office. [REDACTED] and [REDACTED] seemed to have plenty of money and signified their intentions of visiting several South American countries.

The American Consulate in Martinique conducted an investigation of these two men inasmuch as they were supposed to be representing a motion picture firm in Hollywood, California which was interested in making a motion picture based on a story of Martinique. It was supposed to have a cast of 23 persons. The fact that they were interested in leaving the country before the cast arrived aroused suspicion. The investigation revealed that [REDACTED] was wanted in Paris for passing bad checks in 1946 and since he was in London at that time, he was indicted, tried and sentenced in absentia. The Governor of Martinique intended to place the men under arrest and return them to Paris. The local court pointed out that these men could not be held by the Martinique authorities until the evidence in the case arrived from Paris. Knowing this, [REDACTED] attempted to depart from the Island for the United States inasmuch as he had a valid visa for this country. He was unsuccessful in obtaining immediate passage. The American Consul suggested that he would cancel this visa if the passport were brought to him.

Re: ADOLPH HITLER AND EVA/BRAUN
INFORMATION CONCERNING
[REDACTED]

Dear Sir:

Reference is made to Bureau letter dated July 9, 1947 bearing the above-captioned title.

[REDACTED] in the State of Rio Grande Do Sul, advised that the town referred to as Casino is a suburb of the city of Rio Grande. This suburb commonly is referred to as Casino, although it is a part of the municipality of Rio Grande. [REDACTED] advised that Casino was located in a summer resort area and that it consisted of approximately two hundred scattered residences. The majority of the inhabitants are German nationals or are of German descent.

According to [REDACTED] it could be expected that a Nazi refugee would seek asylum or assistance in the Casino area because of the existence of the predominantly German element. The center of activity in Casino is a large hotel which includes a gambling casino. Since gambling has been prohibited, the hotel manager from time to time has endeavored to arrange some form of entertainment for guests and visitors from nearby Rio Grande. It may be pointed out that the Casino section is on the coast and that the beach which borders the suburb regularly is frequented by residents of the city of Rio Grande.

With regard to the alleged necessity for passes to travel in the area of Casino, it is believed that the allegation is without specific foundation. For the information of the Bureau, foreign nationals in Brazil are required by law to possess "carteiras de identidade", which are identification cards issued officially by the Brazilian Government. Often when traveling from one city to another by automobile police may request drivers and passengers to exhibit their identification cards or their passports. Such a request may be

The enclosure mentioned therein was an envelope addressed [REDACTED] It bore the return address of "After Nov. 1945 return to Adolf Hitler, Reichskanzler - Berlin".

Inside the envelope was an English translation of the purported letter in German which [REDACTED] had allegedly received from HITLER in said envelope. The translation is set forth as follows:

"Translation of Hitler's Letter

"No doubt it is well known that little has happened in my life that could be called laughable, but when at the time of the Russian attack on Berlin I found refuge in the basement of the Imperial Chancellory building I was informed that my body and that of my wife (nee Eva Braun) had been covered with naphtha and burned in the Chancellory garden. Examination of the envelope addressed to [REDACTED] bearing HITLER's purported return address in Berlin disclosed it bore two cancelled German postage stamps but no postmark on the envelope itself. It was also observed the handwriting appearing thereon is quite similar to [REDACTED] handwriting as contained in the other letters described above. [REDACTED] was accordingly interviewed by Special Agents [REDACTED] at [REDACTED] office, [REDACTED] San Francisco, California. [REDACTED] readily admitted having personally addressed to [REDACTED] the envelope bearing the German stamps, that [REDACTED] had taken two cancelled German postage stamps from another envelope and glued them thereon and that [REDACTED] reason for attempting to perpetrate this hoax was to create a sensation. [REDACTED] is 77 years old and seemed to be a psychopathic case. [REDACTED] face flushed and [REDACTED] eyes became glassy and [REDACTED] stated [REDACTED] had a weak heart. The interview was discontinued upon [REDACTED] assurance that [REDACTED] had made no other similar efforts in the past and that [REDACTED] would attempt no further hoaxes in the future.

Dear Sir:

Re: THE RUMORED POISONING OF HITLER

There is attached for the information of the Bureau, copy of OI Special Report No. 53 (OI-SR/53) dated October 4, 1947. This report contains a series of arguments to prove that Dr. Morell, physician to Hitler, did not give poison to him or administer narcotics in any quantity which might have contributed to the impairment of Hitler's health.

The statements to disprove the rumors about Morell were made by people who knew Hitler and by scientists or chemists who examined the drugs which Morell administered to Hitler. The rumor that Morell was poisoning Hitler was started by Giesing, a physician who had access to Hitler for a while after July 20, 1944, and who, together with Dr. Brandt, probably wished to get rid of the obnoxious Morell.

It is also argued that Hitler inherited certain traits which manifested themselves in childhood and later on, and that these might account for his crimes and other actions.

This report was made available to me by AC of S, G-2, Frankfurt, Germany, and copies of same are not being retained in the files of this office.

SUBJECT: WHEREABOUTS OF ADOLPH HITLER
MISCELLANEOUS

Recently while [redacted] was conducting an investigation concerning another matter at Rome, Georgia, [redacted] Rome, Georgia, furnished the following information. [redacted] stated that [redacted] served with the Army in Germany after the close of hostilities and around Christmas of 1945 [redacted] was in a village of Schwindigg which is located near Muhldorf. While in company with a German [redacted] by the name of [redacted] last name unknown, [redacted] visited a tourist home at Schwindigg whose owner was a member of the Nazi Party and exhibited his membership certificate. This individual stated that the information concerning HITLER being dead is entirely erroneous and that HITLER was nearby Schwindigg. [redacted] continued that later in the evening [redacted] went to a tavern about one and a half to two miles from Schwindigg in the direction of a range of mountains. While at this tavern, [redacted] engaged in conversation with several Germans and although they were drinking, at least two or three of them remarked [redacted] that HITLER was not dead but was nearby.

[redacted] advised that the area near Schwindigg is very mountainous and of a rough terrain and that [redacted] opinion is that a person would be able to hide out in that area indefinitely with a certain amount of help from persons nearby.

At 4:30 pm today, I called SAC McSwain in Chicago in accord with your instructions with reference to the memorandum of February 28, 1948, relating to the identification of a passenger on the above-described train as being Adolf Hitler.

Mr. McSwain stated that this was washed out; that two Special Agents, [redacted] and [redacted], had got on the train and had closely observed the person in question and his woman companion. It was so obvious to the Agents that this person was not Adolf Hitler that they did not make a positive determination of his identity, feeling that it would possibly create a situation causing absurd publicity. He stated that the person in question was not more than 42; that instead of a foreign accent, he had a very pronounced southern accent; he wore a brown mustache; and his general appearance and over-all description precluded any possibility of his being identical with Adolf Hitler. The woman accompanying him, who had previously been stated to be 41 years old, in the opinion of Agents [redacted] and [redacted] could not have been more than 22 or 23. She was much younger than her reported description and she had no foreign accent whatever.

Office Memorandum • UNITED STATES GOVERNMENT

TO : Director, FBI

DATE: May 6, 1948

FROM : SAC, Detroit

SUBJECT: INTERNAL SECURITY - G
Concerning Person possibly identical with ADOLPH HITLER

On April 26, 1948, a Special Agent attached to the Detroit Office interviewed [redacted] Detroit, Michigan, at the request of [redacted] who had previously communicated with the Detroit Office by telephone. [redacted] produce broker, [redacted] [redacted] which he conducts from his home address in Detroit, stated that from August 8 to August 17, 1946, he and his wife resided at Hotel Chicoutimi, Chicoutimi, Province of Quebec, which he described as being a very isolated and remote section of the province. On the first day of their arrival they were dumbfounded by the appearance of a man in the hotel lobby who appeared identical in every respect with ADOLPH HITLER.

This unknown person was described as 5'10-1/2" to 11" and weighing 185 to 190 pounds. There was no attempt at disguise. During their short period of residence they never saw this unknown person in company of other people except after 11 p.m. in the evening when four or five other visitors and the unknown individual would play chess in the lobby.

[redacted] further advised that the suspicions of his wife and himself were intensified by the following enumerated peculiar circumstances:

1. While no concrete evidence existed the [redacted] felt that they were being spied upon and information as to their activities was being obtained by the unknown person.
2. Upon their arrival they encountered an American colonel and his family consisting of his wife and two children. They were struck by the apparent newness of the colonel's uniform which had the appearance of never having been worn before and by the distinct European dress of his wife and children.
3. The apparent effort of several other men in the community to groom their hair and mustaches to form the general appearance similar with ADOLPH HITLER. It was felt by the [redacted] that this was an effort to divert suspicion from the individual whom they encountered at the hotel.
4. Upon returning to that section of Canada in 1947 the [redacted] found no evidence of their original suspect nor did any of the local residents discuss him. In addition, those people whom they recall as grooming themselves similar to HITLER had in the meantime changed their looks.

Hasn't Adolph Hitler died? This is the hope of every Investigator in the United States because none of them have been able to locate the hiding-place of the German Dictator.

They will never succeed in locating it because enormous difficulties stand in the way of the most expert detectives. It is useless for them to wander about the world trying to find a trace or clue which might lead them to the most discussed man in the world.

This does not refer to detectives who are trying to discover more detailed clues regarding the disappearance of the German Dictator.

The only person who can clarify the situation for them is a young man by the name of ~~NRINGELTHUY~~ ~~BBBBENTROR~~ (this must refer to Joachim von Ribbentrop). However, a huge fortune is involved - it would cost them about twenty million dollars to obtain the information.

For this sum of money, this young man will supply them with detailed information relating to the whereabouts of the man for whom the allies are conducting an intensive search. The young man who can supply this information is in the city of ~~AMWQEDSCKZX~~.

Adolph Hitler is neither in Spain nor in Argentina.

The point is that the youngest marshal in the German Army bears the name of ~~NRINGELTHRY~~ ~~BBBBENTROR~~ (see above). Will he surrender Adolph Hitler and Eva Braun alive?

For a better world.

Urge Conceder Inmediata Asistencia Economica A Toda Hispano America

Se Trabaja Por La Legislacion Puertorriqueña

DE WASHINGTON:

El Embajador del Brasil en Washington, Dr. Mauricio Nabuco, propondrá un plan inmediato.

Tan pronto el Dr. Mauricio Nabuco, nombrado recientemente Embajador del Brasil en Washington, hubo pisado tierra norteamericana, manifestó a la prensa neoyorquina que todos los países de Hispanoamérica miran a los Estados Unidos como los dirigentes de su destino.

“Hay en perspectiva dos proyectos importantes” — dicho el Comisionado Residente Ferrás Isern

Dentro del interés observado en el Congreso

La personalidad del Dr. Nabuco es por demás interesante, pues su padre fue primer Embajador del Brasil en los Estados Unidos en 1905. Al preguntársele por la situación política del Brasil, el Dr. Nabuco dijo que el Brasil no tenía culturas con el capitalismo, pues los oposicionistas, a ideología aumentan de día en día.

Estoy orgulloso del puesto que me ha confiado, —declaró el Dr. Nabuco— y cuento con la ayuda de los norteamericanos y en exclusiva hospitalidad.

El interrogatorio detalladamente acerca de la situación financiera general de los países hispanoamericanos, el nuevo Embajador del Brasil puntualizó con énfasis los Estados Unidos deben ayudar económicamente sin demora a Hispanoamérica, pues los países se hallan estancados, y que, por su parte, así que no halle apoyo en Washington propondrá un plan de ayuda norteamericana a Hispanoamérica.

Finalmente, muchos funcionarios del Gobierno en Washington y tantas otras personas aludidas al comité de asignaciones del Senado, muestran preocupación de si la América Hispánica contribuirá realmente con los setenta millones de dólares que se le asignan como préstamos para los países hispanoamericanos.

Surge la Nación Hebrea de Israel

Dr. Chaim Weizmann es elegido Presidente. - Deplora el conflicto bélico con los árabes

El Dr. Chaim Weizmann, de 73 años de edad, fue nombrado Presidente de la nación hebrea ISRAEL, ubicada en Palestina, el domingo 16 de mayo de 1948, por el Consejo del Estado, y el cual está integrado por un grupo de 37 miembros.

El Presidente Truman fue el primer jefe de estado en reconocer a Israel, desde el sábado 15 de mayo de 1948, habiéndole seguido Ruia, Guatemala y Uruguay. Hasta ahora la Gran Bretaña se ha abstenido de declarar qué plena hacer con respecto a conceder el reconocimiento de nación independiente a Israel.

WASHINGTON: Curso del Plan Marshall es Muy Satisfactorio

Según informes obtenidos de fuentes confidenciales, el Embajador W. Averell Harriman, ha declarado que el programa que se observa en el programa de rehabilitación de Europa es altamente satisfactorio.

También añadió el Sr. Harriman que las 10 naciones que se suscribieron al Plan Marshall, atacan sus correspondientes problemas económicos con gran entusiasmo y confianza, desde que los Estados Unidos han empezado a enviarles su debida asistencia.

El Embajador Harriman es el principal funcionario norteamericano en el papel de mediador y cooperador con la Administración del Plan Marshall, encomendada

para la Isla de Puerto Rico, ésta, doctor Antonio Fernós Isern, tiene grandes esperanzas de que, por lo menos antes del receso electoral se aprueben dos importantes proyectos.

Primero.— Uno presentado por el Senador Hugh Butler, republicano de Nebraska que autorizaría a la Legislatura de Puerto Rico asignar sueldos al Gobierno.

El Presidente Weizmann, de Israel, quien se ha mantenido recluido en el Hotel Waldorf-Astoria, de Nueva York por hallarse enfermo, ha manifestado lo siguiente:

"Es un gran honor el que se me confiere de ser el primer Presidente de Israel, y estoy sumamente orgulloso de haber sido elegido al Consejo por la comunidad depositada en mí. Eleva mis deberes al Todopoderoso para que la guerra desencadenada sobre nosotros cese lo más pronto posible, y una era de prosperidad y paz se suceda oportunamente. Lo miento no poder hablarle en estas horas junto a mi pueblo"

WASHINGTON: Pronto Aceptaran 200,000 Inmigrantes Refugiados

La mayoría de los senadores norteamericanos lo aprueban

A pesar de la oposición que ha encontrado en diferentes ocasiones la proposición del Presidente Truman de permitir la entrada de 200,000 inmigrantes refugiados y desamparados a los Estados Unidos, parece que ahora los partidarios de esta solicitud presidencial obtendrán éxito.

El plan abarca un período de dos años, pudo colegirse de una votación informal en el Senado de esta nación, y de la cual se dedujo que la mayoría de los legisladores norteamericanos votó a favor de permitir la entrada a los desamparados.

Hubo algún tiempo en que las

el Comisionado Residente en Puerto Rico, tiene grandes esperanzas de que, por lo menos antes del receso electoral se aprueben dos importantes proyectos.

Segundo.— Proyecto de la Cámara presentado por el propio senador Fernós Isern, para convertir a los puertorriqueños que nacieron antes del año 1898, en "nacionales" de los Estados Unidos, en vez de ciudadanos naturalizados, como se los considera en la actualidad.

Hasta ahora, el Congreso de los Estados Unidos ha mostrado un profundo interés en los asuntos relacionados con Puerto Rico, y el Dr. Fernós se ha abstenido de aclarar qué gestiones hará el legislador puertorriqueño el año próximo. En lo que concierne al fondo político de Puerto Rico, el Dr. Fernós Isern ha indicado ciertas bases que reserva para el final dilema político de Puerto Rico, y son:

- 1.—Completar la democratización de nuestro régimen político interno.
 - 2.—Establecer las limitaciones necesarias en relación a los poderes del Gobierno Federal.
 - 3.—Perfeccionar las relaciones dentro de la unión económica, con la abolición de inequidades en las relaciones comerciales con el continente, y asegurar la producción adecuada de Puerto Rico en los programas de ayuda federal y en los proyectos federales de fomento.
 - 4.—Basar el régimen político y las relaciones de la Isla con Estados Unidos, no de acuerdo con una Carta Orgánica puesta en vigor unilateralmente, y si bajo una Constitución adoptada por el pueblo de Puerto Rico, y las relaciones económicas y políticas con el Gobierno Federal bajo un compromiso orgánico bilateral, a ser mediatizado por consentimiento mutuo.
- nuevos inmigrantes podían acudir por trabajos y hogares de los Estados Unidos.

ACTUALIDADES DE HOLLYWOOD

Robert Mitchum, antes de haber la dirección de Raoul Walsh, es el gran drama de la Warner Milton Sperling para la United States Pictures.

Ronald Reagan y Alexis Smith, aparecen juntos en un poderoso drama de la Warner Bros, titulado: "Mujer Indómita". Ella es, naturalmente, la mujer que no quiere estar bajo el yugo de ningún hombre y él es el irresistible galán que la domina con sus besos. Esta es una obra del cine en que el deslumbrante panorama inmenso forma parte de la grandeza del film, ya que el vigor y la exuberancia que encierran las escenas, se hacen más intensas por el paso vertiginoso de las bandadas de poteros salvajes que cruzan por el lienzo. Cuba, la de los bellos palmaros, tiene en esto los maestros de los maestros de su folklore, a un con-sagrado artista, que jamás su su nombre oigueno por el mundo.

Eliseo Grenet, el autor de "Mamá Inés", de "Facundo", y de innumerables otras muestras de sabor puramente tropical, tiene admiradores que se enseguida que saben que está actuando o que su música se está llenando en los carteles, que llenan los teatros porque Eliseo tiene la virtud de tener una "legión" de amigos que le siguen su trayectoria artística donde él sea capaz de espectáculo.

Su última actuación en la inolvidable fiesta celebrada pro-fondos de caridad de "La Princesa" reafirmó estos dichos, pues su actuación inesperada hizo que el público en general, cobrara su desintermedada actuación con los aplausos más entusiastas y espontáneos.

El Maestro Grenet, como le llaman los cubanos, tiene una reputación artística enviable, a su favor tiene el haber "hecho" a positivos valores de la escena, en temporadas tan temporadas a teatro llenos no solamente en Cuba, si no en toda Sur y Centro Américas, lo-avándolo también, en Europa, den- de su música en

Rumorase que Hitler Se Encuentra en Bogota

En carta casi fantástica se ofrecen detalles que llegan de curiosidad hasta a los incrédulos

Como el interés por lo que atañe al fin de Hitler es siempre de actualidad, reproducimos a continuación la carta enviada a nuestro colega "El Tiempo", de Bogotá, firmada por el anónimo Amigo, Amigo y Amigo, y no dudamos que su lectura aportará el poder de la fantasía o realidad, dejando a la credulidad de cada uno lo que pueda haber de veraz en el relato:

(Oranjestad, Isla de Aruba, 27 de abril de 1948. Sr. director de "El Tiempo", Bogota.

Muy distinguido señor: Tengo el gusto en dar a ustedes la más sensacional noticia que pueden dar en su lejido y poderoso diario en estos últimos tiempos y en esta hora neurálgica de la humanidad vacilante. HITLER SE ENCUENTRA EN BOGOTA.

Está vivo, perfectamente sano y salvo, y no sufre de ninguna enfermedad hasta el presente. Hace solo diez días lo he dejado en perfectas condiciones. Se pondrá al frente del mundo occidental, tan pronto se inicie el gran choque militar entre Rusia y los Estados Unidos de Norte América. Espera aún reunir un ejército de cinco millones de occidentales, para una cruzada general contra el bolchevismo.

Si la guerra se inicia diez días después de la humanidad presente nos los pueden suceder, pero nos queda espacio astronómico para extender a la humanidad vencedora por los

dinadores todo lo habían preparado ya de antemano y en las vecindades aguardaban caballos y más adelante, un camión de estaca. Los viejos se hicieron penosos, andando de noche gran parte y de día en las madrugadas. Después de acompañar en las vecindades de muchas poblaciones nunca dentro de ellas, se llegó a un puercito del río Magdalena. De este punto se prosiguió el viaje en un camión de carga de la mas pequeña clasificación del río, hasta llegar a otro puerto del departamento, con pasajeros de tercera clase. De la capitales de Santander, se consiguió otro camión de carga, conpatado hasta Pamplona y desde esta ciudad se obtuvo automóvil expreso a Bogota. Nunca había se alojó en hotel de ninguna clase, y los dos agentes coordinadores consumían los pasajes, los vehiculos y las provisiones. Siempre no aguardaba el vehículo por lo me nos lejos y media de distancia del barrio más apartado de un pueblo u ciudad.

aquella actuación, ya que ahora su popularidad ha llegado hasta el extremo de que tiene contratos hasta el año 1950, si quiere aceptarlos todos. No es un secreto que junto a Teresa Wright, Mitchum se destacó poderosamente en "Su Única Salida", y se sabe que él quisiera hacer otra película en el Estudio Warner donde obtuvo aquel triunfo, pero ¿cómo va a encontrar el tiempo para tanto? Por lo pronto, si no ha visto "Su Única Salida", vaya a ver esta obra que puedan más fuerte los que aprecian la dinámica fuerza dramática de Robert Mitchum, así como más bella que nunca.

Joan Crawford triunfa de nuevo en la Pantalla

Joan Crawford triunfa de nuevo en la pantalla, esta vez en el conocido drama de la Warner Bros, "De Amor También se Muere". No todas las actrices, después de veintidos años de labor en el cine, se han encontrado todavía en la cumbre del éxito como ocurre con esta actriz favorita. Como estrella del cine silencioso, fue lo que diríamos el prototipo del arte y la belleza y obtuvo, como tal, triunfos calurosos y numerosos. Luego, con el advenimiento de las películas habladas, ella encerrarse en su habitación con el fin de leer en voz alta libros, diarios y revistas hasta convencerse, por sí misma, de que su voz seguiría no tan afortunada a su numeroso público. Así empezó lentamente a surgir en el cine hablado hasta que, en 1945, fue premiada con el famoso premio "Oscar" de la Academia de Artes y Ciencias de Hollywood. La Academia la honraba por su brillante actuación en la película de la Warner, "El Suplicio de una Madre". Y no hace mucho, terminó otra que constituye un nuevo triunfo para ella. Se titula "De Amor También se Muere". Por el momento se encuentra trabajando en el drama titulado "Possessed". Dado el alto puesto que ocupa

en la "danza" de los "círculos boleros" y de las sabrosas "Habanceras", todas de un sabor a "mango" o "Caña" a "campesino cubano", donde de seguro se extasa, buscando los originalismos y temas de su incomparable música tropical.

Yo tengo en la Argentina un gran compositor que quiero como a un hermano, que se llama Juan Carlos Cobián, más conocido en el ambiente teatral por el "artista del tango". Este notable maestro, un día hablando de Eliseo Grenet, me dijo:

"Ustedes los cubanos tienen muchos músicos notables, pero Eliseo Grenet es el que se ocupa en sus composiciones de poner vivo el sentimiento popular, y por eso su folklore tiene ese sabor 'criollo' tan sugestivo y de tanto vigor musical."

"Honor a quien honor se merece", dijo José Martí, al hacerlo, en esta ocasión, honró a Cuba y a uno de sus hijos, que reúne muchas cualidades para que se le quiera, respeto y consideración, por lo que Eliseo Grenet tuvo ganada reputación como excelente músico y como cubano ejemplar.

"NUEVA YORK AL DÍA" se dedica cariñosamente a Eliseo Grenet, y le envía desde sus columnas y por conducto del Abuelo, un fraternal saludo.

Su vida romántica o sentimental no ha sido siempre una sucesión de éxitos. Pero en esta vida una manifestación que en esta vida todo tiene compensaciones... que aunque no está casada ni tiene hijos propios, lleva una vida relativamente feliz en compañía de sus dos hijos adoptivos, Chirina y Christina, que tiene cinco. Qué diremos de su última película, "De Amor También se Muere"? Que es la historia de una acudida mujer altamente sensible y emotiva que se enamoró apasionadamente de un genio musical... Es una brillante adaptación de la popular novela de Fannie Hurst, "Humoresque". Una película que ha sido calificada

Crear el "sentimiento" como un "factor de emoción universal", para sacarla en la novedad de una serie de descubrimientos interplanetarios, que marcan nuevos rumbos a la humanidad victoriosa y en forma de sistemas rutinarios infantiles de lograr el bienestar general.

Como datos especiales de la existencia de Hitler en Colombia me en las vecindades de Bogotá me permito decirles lo siguiente:

Desembarcó del submarino "R. V. Z." 1018 en Bahía Honda, costa de la Guajira Colombiana, en la madrugada del 19 de julio de 1946. Acompañado de seis hombres antidivulgo técnicos en radio y aparatos de precisión, dos lentos coros, uno de infantería y otro de artillería un mayor de aviación y un experto en submarinos, todos en trajes civiles, disfrazados de paisanos. A la vez, fuera del equipo en holgas de hilo, había dos bolsas de lana marrón, con billetes en dólares americanos, por cantidad de tres millones. Este dinero estaba a su vez camuflado con ropa de uso casero por encima y por debajo.

Joan Crawford triunfa de nuevo en la Pantalla

Joan Crawford triunfa de nuevo en la pantalla, esta vez en el conocido drama de la Warner Bros, "De Amor También se Muere". No todas las actrices, después de veintidos años de labor en el cine, se han encontrado todavía en la cumbre del éxito como ocurre con esta actriz favorita. Como estrella del cine silencioso, fue lo que diríamos el prototipo del arte y la belleza y obtuvo, como tal, triunfos calurosos y numerosos. Luego, con el advenimiento de las películas habladas, ella encerrarse en su habitación con el fin de leer en voz alta libros, diarios y revistas hasta convencerse, por sí misma, de que su voz seguiría no tan afortunada a su numeroso público. Así empezó lentamente a surgir en el cine hablado hasta que, en 1945, fue premiada con el famoso premio "Oscar" de la Academia de Artes y Ciencias de Hollywood. La Academia la honraba por su brillante actuación en la película de la Warner, "El Suplicio de una Madre". Y no hace mucho, terminó otra que constituye un nuevo triunfo para ella. Se titula "De Amor También se Muere". Por el momento se encuentra trabajando en el drama titulado "Possessed". Dado el alto puesto que ocupa

en la "danza" de los "círculos boleros" y de las sabrosas "Habanceras", todas de un sabor a "mango" o "Caña" a "campesino cubano", donde de seguro se extasa, buscando los originalismos y temas de su incomparable música tropical.

Yo tengo en la Argentina un gran compositor que quiero como a un hermano, que se llama Juan Carlos Cobián, más conocido en el ambiente teatral por el "artista del tango". Este notable maestro, un día hablando de Eliseo Grenet, me dijo:

"Ustedes los cubanos tienen muchos músicos notables, pero Eliseo Grenet es el que se ocupa en sus composiciones de poner vivo el sentimiento popular, y por eso su folklore tiene ese sabor 'criollo' tan sugestivo y de tanto vigor musical."

"Honor a quien honor se merece", dijo José Martí, al hacerlo, en esta ocasión, honró a Cuba y a uno de sus hijos, que reúne muchas cualidades para que se le quiera, respeto y consideración, por lo que Eliseo Grenet tuvo ganada reputación como excelente músico y como cubano ejemplar.

"NUEVA YORK AL DÍA" se dedica cariñosamente a Eliseo Grenet, y le envía desde sus columnas y por conducto del Abuelo, un fraternal saludo.

Su vida romántica o sentimental no ha sido siempre una sucesión de éxitos. Pero en esta vida una manifestación que en esta vida todo tiene compensaciones... que aunque no está casada ni tiene hijos propios, lleva una vida relativamente feliz en compañía de sus dos hijos adoptivos, Chirina y Christina, que tiene cinco. Qué diremos de su última película, "De Amor También se Muere"? Que es la historia de una acudida mujer altamente sensible y emotiva que se enamoró apasionadamente de un genio musical... Es una brillante adaptación de la popular novela de Fannie Hurst, "Humoresque". Una película que ha sido calificada

Nuevos Datos sobre la Posible Llegada de Hitler a Colombia

Un europeo que se firma H. H. K., y dice fue espía al servicio del nazismo, confirma el relato hecho por Eudoro Illana Saltz, en carta publicada el domingo pasado.

H. H. K. ofrece comprobar ante autoridades colombianas las afirmaciones que posee acerca de preparativos para la inmigración de Hitler al país.

Ofrecemos hoy a nuestros lectores también por vía simplemente informativa una nueva carta que ha llegado en forma anónima a nuestras oficinas, firmada con las iniciales H. H. K. carta en la cual este ciudadano afirma que las informaciones dadas por Eudoro Illana Saltz y que publicamos en nuestra edición del Domingo son verdaderas. H. H. K. ofrece hoy nuevos datos y como se verá por la lectura de su carta, dice que está dispuesto a comprobarlas en forma plena ante las autoridades colombianas. Repetimos que la publicación de estas cartas la hemos hecho por vía de información. La de H. H. K. dice así:

Bogotá, 11 de Junio de 1935
 Señor Director de EL TIEMPO.—La Ciudad.

En mi condición de arrepentido militante en las huestes de Hitler y Mussolini, quiero manifestar a usted que con más deseos los de confirmar plenamente las informaciones dadas por el señor Eudoro Illana Saltz, en carta publicada en su diario en el día de ayer. Pero ante todo quiero justificar en breves palabras el por qué de estos deseos con la aclaración de que quien escribe esta carta no sabe hablar ni escribir bien el español y que por lo tanto deben ser eliminadas las deficiencias que pueda tener esta comunicación.

En el año de 1932, cuando la política europea (Alemania, Italia, Rusia y algunos países pequeños) predominaba una profunda ofensiva contra las democracias, muchos partidos cristianos de la América Latina, especialmente los conservadores o anticomunistas, propiciaron por todos los medios a su alcance, aunque parezca paradójico, con elemental discreción, para que esa política se desarrollara dentro de estos países. Basta con recordar los editoriales de cierta prensa de la América del Sur, especialmente de Colombia, Ecuador, Bolivia, Argentina y Chile, de los años de 1932 y siguientes, hasta el año de 1934. De 1932 a 1937 ocurrió un decenio larguísimo de la sustancia más dramática que registra la historia. Era la lucha de la democracia contra la antidemocracia, una lucha que aún subsiste hoy pero con otros caracteres.

Fue entonces cuando Hitler ofreció a personas verdaderas industrializar la América. Quería escribir esta carta — europea y anida en la América desde el año de 1920 por obra y arte de la propia suerte — fue enviada, después de haberlo especializado en la América y especialmente en la Argentina, a visitar en las delegaciones varias ciudades americanas: Buenos Aires, Lima, Santiago, Rio de Janeiro — en donde me quedé el tiempo de los más altos personajes de la política criolla de los partidos demócratas — y con la causa de las potencias nazi-fascistas. En una de esas entrevistas me llamó el tal, y él me valió la oferta bondadosa de regresar a Europa, no pena de ser muerto lejos de mi patria. Esta oferta llevó a la América por intermedio de la embajada española en Buenos Aires en el año de 1930, pero como yo me encontraba en Santiago, un agente de esta embajada me la entregó en una ciudad a los pocos días de haber dejado. Entonces me encontré ante este dilema: regresar a Europa, que implicaba seguramente un castigo de pena que se usaron en las kamona purgas nazistas, o permanecer en América so pena de ser muerto por algún agente-compañero. Opté por este segundo término, y como por río vivo más. Desde el año de entonces me he anti-

no se me olvido, en que se me ofrece tranquilidad después de largos años de errabundez, amargura y torturante y llena de sufrimientos indeseables, movió en principio mi ánimo a involucrarme nuevamente en los servicios de la táctica nazi-fascista. Así que cumpliendo órdenes terminantes, me puse en comunicación con Z. — agente de enlace número 16 — a fines de febrero del año citado. Y éste me expuso sobre una carta geográfica colombiana los puntos posibles de penetración clandestina de Hitler, Martin Bormann y otros. Me refirió asimismo la agenda del colombiano X — agente de enlace número 5-Col — con quien ya había conocido exactamente el plan "Zett" sobre inmigración clandestina, con base en el punto cardinal "W-Z-ph" que coincide exactamente con la parte más meridional-occidental del territorio colombiano.

Posteriormente, por breves quebrantos de salud a consecuencia de enfermedades adquiridas en las climas amazónicas, tuve necesidad de internarme en una clínica de la ciudad en donde permanecí hasta muchas días después de la fecha en que la guerrillera alemana fue tomada por las fuerzas democráticas, y por consiguiente mi intervención en la batalla mi colaboración correspondiente se procuraría por todos los medios hacer combenir de las autoridades colombianas aquellos documentos que serían necesarios para la inmigración de Hitler y de Bormann a

Colombia no llegó más hasta el día de hoy relatado anteriormente. Lo anterior, señor director, deseo a comprobarlo en forma plena ante quien corresponde, dando los datos propios de personajes colombianos con base en las siguientes condiciones:

1. Que se tenga en reserva, en todo lo que sea posible, el nombre o la identidad.

2. Que la investigación se haga dentro de la más estricta y absoluta reserva, brindándose a tal fin los datos del caso para no ser víctima de indiscreción.

3. Que en el evento de la verificación exacta de mis relatos, se preste ayuda económica para viajar a Europa y unirse a los que se hallan en la zona sajona de los Estados Unidos.

Debo advertir que en cuanto a lo que no tengo temor de comparecer ante las autoridades de este país ante las de ningún otro porque las pruebas suficientes que me demuestran como perseguido del régimen nazi-fascista.

Quisiera usted, señor director, me indicara las bases en que pueda obrar por efectos de comprobar los hechos relatados en esta carta, los cuales serán exactamente relacionados y comprobados con los documentos que el señor Eudoro Illana Saltz en su día de su propiedad.

De usted atento y leal servidor H. H. K.

Headline on first page: IT IS REMOVED THAT HITLER IS IN BOGOTA.
(article on page 5).

A fantastic letter provides details which are arousing curiosity in the most skeptical persons.

The newspaper " Nueva York Al Dia" reproduces the letter sent to the newspaper "El Tiempo" in Bogota, by the unidentified person who signed "Amigo, amigo, amigo". The letter is addressed from Oranjestad, Island of Aruba, and dated April 27, 1948.

The writer baldly states that HITLER IS NOW IN BOGOTA. "Amigo, amigo, amigo" claims that Hitler is in perfect health. He last saw Hitler about ten days ago. As soon as war breaks out between the United States and Russia, Hitler plans to set himself up as head of the western world. He hopes to gather together an army of five million men in the western hemisphere, in order to lead a general crusade against Bolshevism. "Amigo, amigo, amigo" asserts that Hitler has declared that " If war breaks out about two thirds of the population of the world may succumb, but there will be sufficient astronomical space left to allow the conquerors to extend toward sidereal paths where they will enjoy abiding greatness and peace."

"Amigo, amigo, amigo" claims that Hitler aspires to the conquest of the Moon and Mars, after he has completely defeated Russia.

"Amigo, amigo, amigo" provides the following data re the arrival of Hitler in Bogota, Colombia:-

Hitler landed from submarine "R.V.Z.- 1048" in Bahiahonda, coast of Guajira in Colombia, at dawn of July 19, 1945. He was accompanied by six men; two of them were radio and precision instrument experts; two were lieutenant colonels, one of them an infantry officer, and the other an artillery officer; one man was a major in the air corps, and the last was a submarine expert. All of them were garbed in civilian clothes, disguised as peasants. They carried equipment covered with oilskin, and canvas bags containing American dollars and bills amounting to three million dollars. The money was hidden in household items etc.

When the "group" landed at Bahiahonda they were met by four strong Guajiros Indians who were waiting them at a special spot in order to guide them and their equipment to arranged places. Two agents or contact men came with these Indians. They had arranged everything in advance, and had horses and a truck waiting close by. Hitler and his escort had a very arduous trip. They were forced to travel at night and sometimes at early dawn. Finally, they arrived at a small port in Magdalena. Here they boarded small cargo boats or barges and travelled to another port in the same Department. They travelled third class. From the capital of Santander to Pamplona they travelled again by truck, and from Pamplona to Bogota they travelled by special car. They never stopped at any hotel of any type. The contact men or liaison agents took charge of getting passage on boats, etc. and of providing transportation and provisions. Trucks and other vehicles were always boarded at isolated places which were at quite a distance from any towns or cities.

"Amigo, amigo, amigo" states that Hitler is an avid movie fan, and has frequented movies from the time of his arrival in Bogota, Colombia.

He affirms that Hitler wore eyeglasses and a heavy beard at first, which gave him the appearance of an apathetic foreigner who seemed to be of delicate health.

Fantasy or Reality Concerning Hitler.-

SENSATIONAL ASSERTIONS RE THE FUHRER IN BOGOTA.

A Colombian confirms the story told by "Amigo, amigo, amigo".

The voyage by submarine, the death of Eva Braun and the landing in Florida.- The death of Gaitán would have been a master coup against Communism on Hitler's part.- The plan "becomes hazy" - the musical key. Colombians took part in the adventure. Hitler has already disappeared from the savanna of Bogota.

In our edition of May we published a strange and sensational letter, post-marked Curaçao and signed by "Amigo, amigo, amigo" (Friend, friend, friend). In it the unidentified writer demands 50,000 dollars to reveal, with more exact details, the existence of Adolf Hitler in the savanna of Bogota. He furnished rather exact detail. Yesterday we received, place of origin unknown but definitely distant judging from the date, a letter from a man who claims to be a Colombian, and who disguises his name in order that he will not be identified. The unknown man claims that the story told by "Amigo, amigo, amigo" is the gospel truth, and he relates his sensational intervention in this "affair", connecting it with the assassination of Dr. Gaitán. The letter of "Mr. Eudoro Llana Seltz" follows:-

May 19, 1948.

Director of "El Tiempo".

Dear Sir:

There is nothing fantastic about the story which appeared in yesterday's edition of your newspaper which was signed with the pseudonym, "Amigo, amigo, amigo", and gives an exact account of the presence of Hitler in the savanna of Bogota. Since January, 1945, approximately three years, I have been kept informed regarding the plans of the ex-Chancellor of Germany for the future. Purely through coincidence I became involved in these plans. They have been disclosed to me through a third person. In order to clarify the story, rather than confuse it, I want to tell you how I became a part of the gigantic plan against Soviet Communism.

65-5565-19

I am a Colombian and the owner of extensive properties. I was educated in Europe and have spent the greater part of my life outside of my country. Just as a whim, when I was in Berlin for the Olympic Games in 1936, I insisted on meeting Hitler. A former classmate of mine, who was a friend of the German War Minister, intervened and arranged the introduction. I was extremely favorably impressed by Hitler's brilliant and genial personality. I had always believed that Hitler despised the Latin race, in particular, the Spanish-Americans, but the manner with which he received me, the hospitality he extended to me, and the long conversation we held together, changed my opinion completely. From that time on, everytime I happened to be in Germany, I would try to arrange to have an interview with him, and in that way our friendship developed. More than once, I was of service to him in matters concerning South American Diplomats. Once we drew up a plan for the industrialization of Latin America, on the basis of German investments. I wanted to put into practise an experiment relative to the industrialization of various lands which I owned at that time in the Department of Nariño. When the German experts who were going to collaborate in this task were ready to make the trip to Colombia, war broke out.

During most of the war I was in Europe, except for a brief interlude of several months in Colombia attending to my business affairs, and a few days in summer which I spent in Bermuda, at that time under the rigid control of British military authorities. Toward the end of 1944, when I was in a European country, the name of which I cannot divulge, I was a victim of the Soviet GPU (Russian Secret Police), who had definitely confirmed my close ties with Germany. After three days of terrible persecution, I succeeded in crossing the frontier into another country where the Soviet Government could not operate with such freedom.

January 12, 1945.- I received a visit from X, a well known German Agent. He hinted at the possibility of German defeat and gave me a period of two days to think of the most suitable spot in South America as a refuge for Hitler and a group of German Scientists and officers, in case the latter should find it necessary to "disappear from the world scene" temporarily.

Jan. 13, 1945.- I wracked my brain trying to decide what spot would provide the greatest security. I decided to recommend Colombia, my own country. Its vast stretches of unpopulated lands would lend themselves perfectly as a hiding place for Hitler and his escort. Besides, I own isolated stretches of land there which would be especially suitable for the plan which beset me, and since it was my native country, I could work with greater ease. The group could easily enter the country by one of two ways: via the Pacific Coast of Nariño, or via the unguarded coast of Guajira. Having been in Riohacha, Castilletes, Bahiahonda and Manaure, as a youth, and being of the opinion that the trip via the Pacific would involve extreme difficulties since one would have to fly or come through the Panama Canal (I was still unaware of the fact that there existed a submarine route between Europe and Americas, and that the trip would be made by submarine), I decided to recommend entrance via Guajira.

January 15, 1945.- I met X and recommended that the party enter via Guajira and I gave him a travel guide which would bring Hitler and his group from the Peninsula to my property in Nariño in a very secret manner.

January 30, 1945.- Until today I have contacted X. He instructed me to go immediately to Colombia in order to arrange details of the plan. X informed me that the trip would be made by submarine and that Bahiahonda would serve as the place of entrance. Its cove would be ideally suited to this type of vessel. Besides at only 300 Russian kilometers from Bahiahonda, in the Department of Magdalena, is Colombia's largest natural airplane landing field, "La Loma". We agreed on the method of contact and musical keys based on the first movement of Haydn's "Toy Symphony", which I must use to communicate with Germany via radio.

Arriving in Colombia, I proceeded to select my collaborators or "contact men". Two of them were faithful family servants; the third, a high-ranking Colombian army officer; the fourth, a conservative leader of Antioquia; the fifth, a violently anti-Communist liberal leader; the sixth, an intelligent and extremely wealthy heiress and sports enthusiast of Valle del Cauca.

To make this story brief, I shall summarize the rest of the events: After having made all the necessary arrangements, which required well over a month and a half, during which period I was constantly in contact with Germany and the "Hitler Group" (of which "Amigo, amigo, amigo" did not say he formed a part, as did Martin Bormann), the landing was made in Bahiahonda on July 19, 1945, at dawn. The "Guajira Indians" which "Amigo, amigo, amigo" mentions in his story were none other than three of the most important contact men. We could not take the risk of obtaining true Guajira indians because they might have been bribed by some one to betray us to the authorities.

From here on, the story differs from the one told by "Amigo, amigo, amigo" (whom I believe to be a tall, slender Dutchman (Holland) who was a member of the group, and whom I frequently saw at the plantation in the savanna of Bogota which Hitler and his committee later occupied. Reserve cannot be the cause of tergiversation of events on the part of this individual who offers to sell his petty secrets for 50,000 dollars. I do not know what his motive is, nevertheless, this is what really occurred:-

For six days Hitler and his followers travelled on horseback, only at night, from Bahiahonda to the "La Loma" landing field. At the agreed hour of meeting three contact men and I waited at the rendezvous. We had succeeded in acquiring three small four-passenger Stinson planes, to begin the trip from there to Nariño. Then, I was suddenly informed by a high-ranking German officer that Hitler had changed his mind and he had decided not to hide on my property.

Hitler, Bormann, two German physicists and two pilots travelled by plane to a destination that I then ignored. They carried with them secret plans for the V-3 Sky Rocket bomb, the interplanetary Sky rockets and the complete re-

cord of the German nuclear investigation. We and the remainder of the group would travel with the laboratory equipment and other objects which they had brought from Germany, in trucks and vehicle as far as Jagua, and from here we would make the rest of the trip into the interior by foot in separate stages.

When I saw Hitler again, a month later, on a plantation in the savanna of Bogota, I found out about their flight. At dawn on the 26th of July, they landed the planes in a flying field at La Florida, in that abandoned spot below 68th Street in Bogota. The flight was rough. They had been forced to fly by night over the mountain chain with planes that had little power and naturally had no radio beams. The skill of the pilots was shown under these circumstances. Once they had landed, the pilots burned the planes and the remains were submerged in the nearby marsh of Santa Maria.

In La Florida, three persons, who until that time had taken no part in the plan that had been revealed to me, met Hitler. One of them owned the plantation where Hitler was going to stay. The latter had been averse to trusting only in me, and at the last moment he had changed his mind, however, I continued to be a part of his intimate following.

For months the fight against the Communists all over the world was led from this plantation in the savanna. Only once, at the beginning of 1946, when the Russian Legation in Bogota began to increase its personnel, did we fear that the Soviets had discovered the hiding place of the Fuehrer. Our fears were dissipated weeks later, when GPU (Russian Secret Police) Agents, foiled in their attempts to track down Hitler and his group who were cheerfully conducting their "Niebla" operation, as they called the plan, (Translator's note: "Niebla" means mist, haze or a film that covers an object, and it probably expresses the fact that Hitler and his Agents were successful in concealing their identity) returned to Moscow discouraged. Now we know why the Russian Legation in Bogota had such a large staff. Hitler was aware of every one of their movements. The "group" had an undercover agent in the Russian Legation itself.

German agents and scientists kept arriving in Colombia, some via the secret submarine route across the Atlantic, and others disguised as Jewish immigrants. On one pleasant occasion a republican leader from the United States visited the savanna plantation. Other, republicans and democrats came later. In the quiet mansion the most noble of all crusades was taking place: the fight against the red serpent of the bloody Muskovite Communism.

And now, the most sensational revelation of this story:-

At the beginning of this year, when the differences between the United States and the Soviet Government were becoming more evident at the UN sessions, Hitler felt the time had arrived to start the holy war against Russia. However, it was necessary to inflame all of America, in order that with its moral and material support, the United States would abandon its defensive policy, and launch forth against Russia. The ninth Pan American Conference was a propitious occasion,

not only was it going to be held in Bogota where it was easy for the "group" to operate from their nearby base, but it was going to be held in Bogota at a time when there was great uncertainty in the internal politics of Colombia.

Hitler's genius conceived the perfect plan: when the Conference was at its height, they would assassinate the leader of the Liberal Party, Dr. Jorge Eliecer Gaitán; the Communists would be blamed for this deed as they had been blamed for the burning of the Reichstag. The "group" had an undercover agent in Dr. Ospina Perez' cabinet who would take charge of this part. German agents were to lead the pillaging and sacking of churches and sacred buildings, deeds which would be easily attributed to the International Communists. The Conference would terminate immediately, Colombia would sever relations with the Soviet Government, then the United States would sever relations with the USSR, and war would come, the great crusade against Communism. Hitler would reappear then to lead the western world against the Mishkovites. The scheme was perfect.

I did not learn the details of this fantastic plan until it had already been finished. Had I known I would have opposed it since the life of Gaitán seemed very precious to me. The date of the coup had been chosen by Hitler in accordance with his personal astrologer. The contact man between the murderer of Dr. Gaitán and the "group" was a conservative deputy. However, this individual never did know under whose orders he was acting. One of the individuals who met the Fuehrer when the latter landed in La Florida had taken it upon himself to convince the deputy of the necessity of the crime, arguing on the basis of internal politics. In his turn, the deputy had no trouble convincing the murderer, a fanatic. Hitler had conceived a master plan.

Only one detail was lacking: the "group's" confidence men in Washington failed in their attempt to have the United States break with the Soviet Government as a result of the events of April 9th.

I had not seen Hitler since April 5th. When I returned to the plantation on April 15th, it was completely empty. The equipment, the laboratories, everything had disappeared! --

The author of the letter claims that Eva Braun died during the submarine trip of embolism. From that time on Hitler had become extremely taciturn and apathetic. The only thing which inflamed his enthusiasm was the thought of a world crusade against the Reds or Russians.

Fiction or Truth.-

NEW DATA RE POSSIBLE ARRIVAL OF HITLER IN COLOMBIA.

A European who signs H.H.K. and served as a Nazi spy, confirms the story reported by Eudoro Llana (or Illana) Seltz, in the letter published last Sunday. H.H.K. offers to prove this statement to Colombian authorities by showing them evidence he possesses relative to preparations for Hitler's immigration to the country.

The newspaper "El Tiempo" publishes a letter sent to the director by the abovementioned H.H.K. -

H.H.K. claims to have fought with the Hitler-Mussolini forces in World War II. He declares that during the years 1933 to 1942 when Germany, Italy, and other European countries were leading a strong offensive against the democracies, the countries of South America, especially Colombia, Ecuador, Bolivia, Argentina and Chile, were fighting against anti-democracy through their newspapers and other publications. That was when Hitler offered to industrialize America.

H.H.K. claims to be a European exile who has been in America since 1939. After being trained in espionage, he was sent as an observer to Latin American capitals, such as Bogota, Buenos Aires, Lima, Santiago, Rio de Janeiro, where he contacted and talked to some of the biggest figures in political life. In one of these encounters he carelessly talked too much, and he decided to return to Europe because of the danger of being put to death in a country far from his homeland. The order for his return came to him through the Spanish Embassy in Buenos Aires in 1940, but since he happened to be in Santiago, it was delivered to him there by one of the Spanish Embassy agents a few days later. He changed his mind about returning to Europe because he feared he would be punished in accordance to the rules of the Nazi purge. He decided to remain in South America and take the risk of being killed by some other agent. He claims to be the son of a Latin American woman and a German who had risen in military circles only recently.

Dear Sir:

The writer of this letter is an employee of [REDACTED]. He also has a son who is an employee of Edgar Hoover. This may suffice as my introduction.

The enclosed letter, written in German, came to our office on July 3, 1948. It was mailed in New York City on July 1st. The contents deserve attention in my opinion, although you may find that the writer of the letter was a crank.

The letter was addressed to one of our employees and the spelling within the letter as well as of the address shows that the writer is an uneducated man or a non-German. This also can be concluded from the fact that he wrote "Stati Uniti" behind New York which tends to show that the writer may be an Italian. There are two mistakes in the address; he wrote the word "Redaktion" with a "ck" instead of simple "k" and [REDACTED] whose name appears on the envelope writes his name without "t". You also will see that the letter was supposedly written in Cavalezzo (Prov. Trento) Italy.

Sehr geehrter Herr [REDACTED]

Letzten Herbst kamm eine Nummer der
New Yorker Staats-Zeitung in Unser Besitz,
ich glaube jene von 19. October.

Darin [REDACTED] Sie ein Buch des engl.
Schriftstellers, Trevor-Roper, bzw. seine
vermutlich genaue Feststellung des Todes von
Adolf Hitler und Martin Bormann.

Der Schreiber dieser Zeilen möchte nicht
die geschichtliche Feststellung des genannten
Authors gerade bestreiten oder sich irgendwie
darüber auseinander setze. Aber bevor der
Tod der beiden als entgültig angenommen für
alle Zeiten gelten soll, mag es doch der Mühe
wert sein, folgendes nachzuprüfen.

In dem kleinen Orte Bobovo, Gemeinde
Ponikva, Bezirk Smarje pri Jelšah, Jugoslavien,
leben seit drei Jahren, zwei Männer. Einer
ziemlich gross und eher schlank, mit einem
Kaiserbart. Dass will heissen, einen Bart wie
ihn des selige Kaiser Franz Joseph trug, was man
im alten Österreich eben schlechtweg Kaiserbart
nannte. Haare hochgekämmt.

Der andere ist kleiner aber gepakter, mit
dunklem Haar, Schnurbart, beides genau wie es
Hitler kammte, bzw. stutzte.

Beide Männer, dort als die aus Süd-Amerika zurückgekehrte Kaufleute, bekannt, leben sehr bescheiden, sind aber mit den Bauern recht freigebig und gelten als steinreich.

Sie wohnen dort bei dem [REDACTED] Leben sehr bescheiden, empfangen niemanden ohne vorherige Anmeldung und gründlicher Prüfung, sind streng bewacht durch eigene Wachen. Meistens streifen sie in den Waldungen des nahen Bacherngebirges herum. Auch wenn zu Hause wird stets gesagt sie seien auf reisen oder Turen, etc. Und es gilt dort als ungeschriebenes Gesetz, nicht über die beiden zu sprechen; fremden gegenüber wird stets gesagt dass man von nichts weißt. Die Bauern und die Gendarmerie der umliegenden Ortschaften sind alle schwer bestochen und zu Schweigen verpflichtet --- Kurz, niemand kennt sie oder weißt etwas.

Denoch wäre es angebracht, durch irgend einen unschuldigen Trick, sich die beiden genau anzusehen, bevor man den Tod Hitler's und Bormann's als geschichtlich endgültig verbucht.

Nach Bobovo kommt man: Von Norden kommend über die ehemalige öst. Süd-Bahn, von Marburg (Maribor) bis zur Haltestelle Lipoglava. Von dort eine halbe Stunde Fussweg, meistens durch Wald. Führer unter irgend einen unschuldigen Vorwand durch den Stationschef erhältlich, zum [REDACTED]

Von südlicher, Laibach (Ljubljana) Cilli (Celje) Grobelno. Nächste Station is Ponikva. Aussteigen, etwa anderthalb Stunde Fussweg, Führer nötig. Oder eine Station weiter fahren bis Lipoglava, Dan wie oben.

Glück und Geschick nötig --- Mund halten.

This letter is not from a prankster, I am very serious in what I am asking for.

What I am asking for is a complete description of Adolph Hitler, and Eva Braun such as. Did he like animals, did he like to gamble, what were the color of his eyes, and Eva's eyes, is it possible for living humans to exchange eye balls, or is there something that they can color their eyes with, for instance turn gray eyes black ect. is there any pictures of Hitler without a mustache.

I have you a picture of Hitler and his lady friend I mean a eto close up, such as would expose wrinkles, and such as lip formation, ears, pores and jaw bones upper. I know the lower jaw can be altered.

Sir the reason that I am writing for information is, that I have been wate a man here in St. Louis for over a year.

He has all of Hitler's actions such as his habit of sliding his hands into his trousers, he is an expertly trained goose stepper with Hitler's swagger. if you can see him, as I have seen him with a dog on a leash, and this fellow following, with his hat down over his eyes, and his goose step in full swing, you would be tempted to say that there goes Adolph Hitler.

 was sick, he was a doing a lot of hammering at night, and I had the police after him, he was up on a balcony, and I had him mad, he said to me, go ahead, and have me arrested, it won't hurt me. I have been in jail before, I have no fear of your jail

This man to my estimation is foreign

I always did say, and still say that
Hitler had left Germany at least 1 1/2 yrs

Dear Sir:

In the first place, I have the honor to congratulate on your successful recovery of your recent illness, and hope, to carry on with more vigor as you have done it, in the past.

According to the headlines of to-day, I am glad, that several most criminals were brought to justice, and executed, namely those who were against our country, and tried to annihilate us.

I like to see, that justice is done in all cases, where mankind is in peril, but, of course, many cases are unsolved.

In my letter, I respectfully bring the attention of you, in the case of Hitler, the chief enemy of all mankind. Permit me, please to disclose some facts about that devil as I know, the entire world is hunting for him, but up to date, is without any results. I am more than sure, Hitler is alive only, we have to find him. Just a few days ago, the radio announced, that the Russians and British officers made a re-search, where he supposed to die in Berlin, together with Eva Braun. They have found no evidence of any remains of the human bodies, as is normally would be, at any fire and consumed. The remains of the body to the last iota. Hitler was a coward, and he did not commit suicide.

The facts, I am disclosing, believe it or not, are as follows:
 1. a Polish waiter claimed some time ago (from Nassau Island) that he took Hitler and Eva Braun with his plane to the sea coast, at the time Hitler saw his end, but he could not disclose the exact point of landing.
 2. After the Germans surrendered, about 1945, when a German submarine surrendered to Argentina within at Buenos Aires, and this is not beyond reason, that Hitler was on board in that submarine. That this submarine was staying there in Argentinian waters.

CONCERT CALLED OFF: Members of the Jewish War Veterans pause in their picketing of Carnegie Hall last night to read a sign announcing cancellation of a concert by German pianist Walter Gieseking. The pianist, who played for Adolf Hitler, was picked up by immigration officers shortly before the concert, and the Justice Department in Washington announced he had agreed to leave the country.

German Pianist Calls Off Tour, Will Leave U.S.

New York, Jan. 25.--(AP)--Seized by immigration agents and facing an exclusion hearing, German pianist Walter Gieseking cancelled a protested American concert tour and was leaving the U.S. voluntarily today.

He was held in custody overnight, and his agents said they had booked passage for him on a plane leaving for Paris.

A number of Jewish groups and others had protested Gieseking's admission to the country because he played before Hitler and performed in Germany throughout the Nazi regime. The pianist denied he ever was a Nazi.

Seized Just Before Recital
Gieseking was picked up by the immigration officers yesterday, a few hours before a scheduled recital at Carnegie Hall was to have opened an American tour.

The concert and the tour were cancelled at the pianist's direction after his seizure, but a crowd estimated at 3,000 milled around the hall last night.

INFORMATION CONCERNING

Reference is made to bulet dated 12-15-48, addressed to [REDACTED] St. Louis, Mo. to which an addendum was attached directing this office to interview [REDACTED] concerning his report that he believed ADOLPH HITLER was in St. Louis. In accordance with Bureau instructions, [REDACTED] was immediately contacted by telephone and an interview requested. Due to the nature of [REDACTED] employment, it was not possible to interview him at his home until January 13, 1949. At that time, [REDACTED] advised that he has known a man, named [REDACTED] for about two years and that [REDACTED] has taken over the management or ownership of the building where [REDACTED] resides, and has been attempting to evict [REDACTED] from his living quarters on the second floor. [REDACTED] has developed an intense dislike for [REDACTED] and presently sends his monthly rent check to [REDACTED] by registered mail, return receipt requested, although [REDACTED] resides immediately below RANEY.

According to [REDACTED] operates [REDACTED] Ave. and also operates another place of business someplace on South Broadway, St. Louis. [REDACTED] has no other reason for thinking that [REDACTED] is ADOLPH HITLER except that [REDACTED] is German, speaks with a definite German accent and refused to tell [REDACTED] his life's history.

Preliminary inquiry made to determine who [REDACTED] has resulted in very little information of value. Local credit bureaus have no information on him, and St. Louis Police files contain only records of minor arrests for peace disturbance, etc. A check [REDACTED] noted in front of [REDACTED] disclosed it was issued [REDACTED] St. Louis Co., Mo. [REDACTED] in the area of [REDACTED] confectionery business, advised that [REDACTED] speaks with a definite German accent, and is described as about sixty-three years of age, five ft. seven inches, one-hundred and seventy lbs., stocky build, grey hair, partly bald, wears glasses. The files of the St. Louis office contained no information concerning [REDACTED]

[REDACTED] a reliable German Informant, advised that he has never heard of [REDACTED] but has volunteered to become acquainted with [REDACTED] by making purchases at [REDACTED] place of business. Informant speaks fluent German and will be able to gain the confidence of KRAUSE because of their mutual interest in Germany. No active investigation is being made in this matter since it is apparent that [REDACTED] reported [REDACTED] chiefly because of his intense dislike for [REDACTED] and not because of any real evidence indicating that [REDACTED] is actually ADOLPH HITLER. If [REDACTED] reports any information of value, the Bureau will be advised; otherwise, the case will be closed by this office.

H.H. K. declares that he went to Colombia in 1944 with the help of some Brazilians, after fleeing from Himmler's agents who followed him wherever he went.

On February 1 (?), 1945, he was visited by a German who claimed to know him well and be very familiar with his record as a Nazi spy in America. He showed him documents to prove this, and then showed him an order which stated that H.H.K. was to collaborate with this German in finding the best way to help Hitler and his followers to enter Colombia secretly and stealthily. On pain of slow torture and death, H.H.K. was forced to aid in this plan. In accordance with definite orders received, he got in touch with Agent Z, contact man no. 16, at the end of February, 1945. Agent Z. traced for him on a Colombian map, possible points from where Hitler, Martin Bormann, and other Germans could enter secretly. He referred me to Colombian Agent X, contact man no. 5-Col, with whom he had already discussed and approved plan "Zert" re secret immigration of Hitler and the others, based on cardinal point "W-Z-ph", which coincides exactly with the most extremely southwestern point of Colombian territory.

Shortly after this, H.H.K. became ill and was in a hospital in Bogota for some length of time. He remained in the hospital until after the German Legation had been seized by democratic forces.

H.H.K. asserts that he is ready to prove that the story told by Eudoro Llana Seltz is true. He will give all the information he has, including the names of various Colombians who participated in the "affair", providing his own name and identity remain secret. He wishes that the interview will be secret and confidential, because of the fear that he will be assassinated by other agents, if any publicity is given him. In return for his providing these proofs of Hitler's plan to enter Colombia, etc. he wishes to be compensated financially in order that he may return to his family in Germany, in the United States Zone of Occupation. He claims to be still persecuted by Nazi agents.

Fantasia o Realidad Sobre Hitler

Sensacionales Afirmaciones Sobre el Fuherer en Bogotá

Un Colombiano Confirma lo Dicho por "Amigo, Amigo, Amigo"

El viaje en submarino, la muerte de Eva Braun y el aterrizaje en La Florida.—La muerte de Gaitán habría sido un golpe maestro de Hitler contra el comunismo.—El plan "niebla" y la clave musical. Qué colombianos tomaron parte en la aventura.—Hitler desapareció ya de la Sabana.

En nuestra edición del nueve de mayo publicamos una curiosa y sensacional carta fechada en Curuzio y firmada por "Amigo, amigo, amigo". En ella el desconocido pedía \$3000 dólares para revelar, con datos más precisos, la existencia de Adolfo Hitler en la sabana de Bogotá. Simulaba ser un hombre bastante opaco. Pero ante la insistencia de la muerte del Fuherer, lo hizo aparecer como un folletón, y nada más. Ayer recibimos una procedencia desconocida, pero seguramente distinta por razón de la fecha, la carta de un ciudadano que dice ser colombiano, y el cual se identifica los apellidos para no ser identificado. El desconocido dice que el nombre es amigo, amigo, amigo, es la estricte verdad, y que es un internacional intervencionista en este "affaire", y lo relaciona con el asesinato del doctor Gaitán. Por vía informativa, y como cosa curiosa, insertamos un segunda la intrigante carta de don Eduardo Llano Peñero:

Caro Sr. Director de EL TIEMPO—E. S. D. Señor Director:

Nada de fantástico tiene la relación que aparece en su edición de ayer, firmada con el pseudónimo de "Amigo, Amigo, Amigo", en la cual se da cuenta de la presencia de Adolfo Hitler en la Sabana de Bogotá. Desde enero de 1945, he estado estudiando de los planes del ex-canciller alemán para el futuro. Por pura coincidencia vine a formar parte de ellos. Ya que han sido relatados por una tercera persona, y con el fin de aclarar, en vez de enturbernar y subsistir, el relato, quiero hacer un resumen sucinto de cómo he podido formar parte de un gigantesco plan contra el comunismo soviético.

Soy colombiano, hombre de numerosas aficiones, educado en Europa, y he pasado la mayor parte de mi vida fuera del país. Por un capricho, quise conocer a Hitler durante las olimpiadas de 1936 en Berlín. Un amigo del ministro de la guerra alemana, que había sido confidante mío, intervino para ayudarme. Alzando el pretexto de que era representante de un diario norteamericano, mi amigo logró la entrevista con el Fuherer. La impresión que me causó fue brillante y genial personalidad, fue tremenda. Siempre había pensado que Hitler despreciaba las razas latinas, y en especial a los iberoamericanos. La forma como me recibí, el trato que me dispensó y la libre conversación que sostuve, hicieron que cambiara totalmente de parecer. Desde entonces, cada vez que me encontraba Alemania procuraba entrevistarme con él, y nuestra amistad fue creciendo. Más de una vez le serví en algunas ante diplomáticas sudamericanas. Una vez elaboramos un plan para la industrialización de Latinoamérica a base de inversiones alemanas. Me yo poner en práctica un experimento de industrialización en algunas zonas que en ese entonces poseía el departamento de Nariné. Cuando los

HITLER

cuando me fui a Curuzio, ignore sus motivos. De todas maneras, he aquí cómo se desarrollaron los hechos: Pocos días después Hitler y sus acompañantes a caballo y únicamente de noche, de Bahambando al campo de aterrizaje de "La Loma". A la hora del rendezvous convenido, esperábamos allí yo y tres agentes de enlace. Habíamos logrado conseguir los aviones Stinson, de cuatro pasajeros, para iniciar el viaje de allí a Nariné. Entretanto, súbitamente fui informado por un alto oficial alemán que Hitler había cambiado de parecer y que ya no se referiría en mala propiedad. Hitler, Hermann, dos técnicos alemanes y dos pilotos viajarían en las avionetas, con destino que entonces yo ignoraba. Se llevarían consigo los planos secretos de la bomba cohete V2 de los proyectos cohetes interplanetarios y el record completo de la investigación nuclear alemana. El nutrido resto del grupo y nosotros viajaríamos, con los aparatos de laboratorio y otras máquinas que habían traído de Alemania, en camiones, y por carretera hacia La Jirga, para luego hacer el viaje por tierra al interior en varias etapas. Cuando volví a ver a Hitler, un mes más tarde, en una hacienda de la sabana de Bogotá, supe cómo había efectuado el vuelo. En la madrugada del 20 de julio aterrizaron las avionetas en el campo de aviación de La Florida, en un entonces abandonado, abajo de la calle 53 en Bogotá. El vuelo fue accidentado. Hubo necesidad de velar de noche sobre la cordillera en aparatos de poca potencia, sin radio-faro naturalmente. La pérdida de los pilotos se imputa a las condiciones. Una vez en tierra, los pilotos procedieron a incendiar las máquinas y sus restos fueron transportados en la cercana ciudad de

Atlántico, otros convencidos como inmigrantes polacos. En una gruta que había visitado la hacienda sabana un jefe político republicano de las Estadas Unidos. Otros, democratas y republicanos, vendrían más tarde. En la tranquilidad casa se arrojaba en fraguaba la más noble de todas las cruzadas: la lucha contra la algarve raíz del magisterio y socialismo masocrita.

Y ahora, la revelación más sensacional de este relato: A principios de este año cuando se agudizaban las diferencias entre los Estados Unidos y el Soviet en el seno de la ONU, Hitler propuso el momento de hacer la guerra santa contra Rusia. Pero un acuerdo acordado a toda América para que, con su apoyo moral y material, se librara que los Estados Unidos abandonarían su política de aislamiento y se lanzaran contra el U. S. S. R. La conferencia panamericana con una agenda perfecta. No se cumplió. Se efectuaron un grupo donde se creó el "grupo" operado por la curandía de un grupo de operarios, sino que esto se realizó en momentos de incertidumbre dentro de la política interna colombiana.

El grupo de Hitler concibió el plan perfecto: se daría muerte al jefe del Partido Liberal doctor Jorge Elbore Gaitán cuando la conferencia estuviera en su apogeo; la culpa, como la del incendio del Reichstag, se echaría a los comunistas. El grupo tenía a "akruka" dentro del gobierno del doctor Ospina Pérez que se encargaría de ello. Agentes alemanes dirigirían el plan, el ataque, el incendio de iglesias y edificios sagrados, hechos fácilmente imputables al comunismo internacional. La conferencia se celebraría inmediatamente. Colombia respaldaría al Soviet. Luego los Estados Unidos romperían con el U. S. S. R., vendría la guerra y la gran cruzada contra el comunismo Hitler reaparecería entonces para dirigir el mundo occidental contra los moscovitas. El plan era perfecto.

Yo no vine a conocer Gaitán del partido porque sino cuando éste se había consumado. De la contrabando me habría agotado, pero la vida de Gaitán la consideraba demasiado preciosa. La fecha del golpe había sido acordada por Hitler de acuerdo con un astrólogo particular. El elemento de Gaitán entre el asesinato del doctor Gaitán y el grupo fue un diputado conservador. Sin embargo, nunca supe cómo se dividió a órdenes de quién trabajaba. Una de las tres personalidades que habían encontrado al Fuherer cuando aterrizaron en La Florida, un hombre encargado de convencer al diputado de la necesidad del crimen, alegando los motivos de política interna. A su vez el diputado no tuvo dificultad en consentir al asesino, un fanático. Hitler había concebido un plan maestro.

¿Qué más un detalle? Los miembros de confianza del grupo en Washington se comunicaron con el interior de que los Estados Unidos romperían con el Soviet a raíz de: los acontecimientos del 2 de abril. Desde el 3 de abril había dejado de

2. Condition

The folds, tears, creases, and stains were examined for indications of simulation, but none was found, the condition throughout being that of papers folded together which have been maintained in that position for some time during which they were subjected to moisture and wear.

The visible transfer from one sheet to another of stains from the typewriting and ink were studied from the standpoint that they might be the result of mechanical reproduction (using the jelly Hectograph method) or be the result of simulation. Even where no appreciable transfer from one paper to another has taken place, the ink lines and typing have run into the surrounding paper. This, however, is usually of a different shade of color from the original ink, in some parts being a radically different color. This occurs normally, because some inks are composed of dyes of more than one color which combine to create the ink "color" but dissolve and run in different degrees of solution. Thus "blue" ink may run "green" (as in this case).

The fact that these natural (but unnatural appearing) phenomena occur on these papers is evidence of genuineness since persons preparing forgeries usually take care to match the color closely. The fading produced by different concentrations of dye in water is also very difficult to simulate without leaving evidence. No such evidence was found.

The transfers of writings (typewriting as well as ink) show that the papers were out of place in sequence and disarranged in position when the dampening occurred. This is typically accidental, not planned.

3. Typewriting

The Marriage paper, Q1 and Q2, was typed on a machine equipped with type designs matching those of known German manufacture, "Hausman Erika", and with German alphabet characters.

The other two documents were written on a different typewriter, the space adjustments of which remained set for both papers, Q3 through Q5 and Q6 through Q17. This is a Medium Roman design of type with "uncial" or "Gothic" numerals. No exact match of this design appears in the FBI file of standards, which is without a few European designs since the war. As Medium Roman design is used in the known specimens K1 through K14, a close comparison was made. It was found that K13, signed Bormann on the letterhead of the NSDAP 4 April 1945, was a very close match for the two wills, Q3 to Q17 inclusive. No conclusion could be reached whether they were written on this identical typewriter as the mistaking of Q3 to Q17 inclusive has somewhat obscured the microscopic appearance of the impressions and mechanical defects suitable for positive identification are not prominent.

If there were a purpose in this, it might be possible to definitely identify the typewriter used on Q3 to Q17 inclusive if known specimens could be

That Mr. Miller expressed in my letter

that I would be called by my name, but when at the time of his presence

at the house of Mr. Miller, I found myself the business of Mr. Miller's

building, I was informed that my name was that of my wife (was Mrs. Miller) but she

covered with a white cloth, and in the emergency garden, I could not help

drinking for a time when we were among the flowers and not spoken

on the air, possibly the garden and my general view, on a condition

please to read the work of Mrs. Miller by the

Mein privates Testament.

Da ich in den Jahren des Kampfes glaubte, es nicht verantworten zu können, eine Frau zu gründen, habe ich mich nunmehr vor Beendigung dieser irdischen Laufbahn entschlossen, jenes Mädchen zur Frau zu nehmen, das nach langen Jahren treuer Freundschaft aus freiem Willen in die schon fast belagerte Stadt hereinkam, um ihr Schicksal mit dem meinen zu teilen. Sie geht auf ihren Wunsch als meine Gattin mit mir in den Tod. Er wird uns das ersetzen, was meine Arbeit in Dienst meines Volkes uns beiden raubte.

Was ich besitze, gehört - soweit es überhaupt von Wert ist - der Partei. Sollte diese nicht mehr existieren, dem Staat, sollte

auch der Staat vernichtet werden, ist eine weitere Entscheidung von mir nicht mehr notwendig.

Ich habe meine Gemälde in den von mir im Laufe der Jahre angekauften Sammlungen niemals für private Zwecke, sondern stets nur für den Anbau einer Galerie in meiner Heimatstadt Linz a.d. Donau gesammelt.

Dass dieses Vermächtnis vollzogen wird, wäre mein herzlichster Wunsch.

Zum Testamentsvollstrecker ernenne ich meinen treuesten Parteigenossen

Martin B o r m a n n .

Er ist berechtigt, alle Entscheidungen endgültig und rechtsgültig zu treffen. Es ist ihm gestattet, alles das, was persönlichen Erinnerungswert besitzt, oder zur Erhaltung eines kleinen bürgerlichen Lebens notwendig ist, meinen Geschwistern abzutrennen, ebenso vor allen der Mutter meiner Frau und meinen, ihm genau bekannten treuen Mitarbeitern und Mit-

arbeiterinnen, an der Spitze meinen alten Sekretären, Sekretärinnen, Frau Winter, usw., die mich jahrelang durch ihre Arbeit unterstützten.

Ich selbst und meine Gattin wählen, um der Schande des Absetzens oder der Kapitulation zu entgehen, den Tod. Es ist unser Wille, sofort an der Stelle verbrannt zu werden, an der ich den grössten Teil meiner täglichen Arbeit im Laufe eines zwölfjährigen Dienstes an meinem Volke geleistet habe.

ADOLF HITLER

Mein politisches Testament.

Seit ich 1914 als Freiwilliger meine bescheidene Kraft in ersten, dem Reich aufgewungenen Weltkrieg einsetzte, sind nunmehr über dreissig Jahre vergangen.

In diesen drei Jahrzehnten haben mich bei all meinen Denken, Handeln und Leben nur die Liebe und Treue zu meinem Volk bewegt. Sie gaben mir die Kraft, schwerste Entschlüsse zu fassen, wie sie bisher noch keinem Sterblichen gestellt worden sind. Ich habe meine Zeit, meine Arbeitskraft und meine Gesundheit in diesen drei Jahrzehnten verbrancht.

Es ist unwahr, dass ich oder irgendjemand anderer in Deutschland den Krieg im Jahre

1939 gewollt haben. Er wurde gewollt und angestiftet ausschliesslich von jenen internationalen Staatsmännern, die entweder jüdischer Herkunft waren oder für jüdische Interessen arbeiteten. Ich habe zuviele Angebote zur Rüstungsbeschränkung und Rüstungsbegrenzung gemacht, die die Nachwelt nicht auf alle Ewigkeiten wegsuleugnen vermag, als dass die Verantwortung für den Ausbruch dieses Krieges auf mir lasten könnte. Ich habe weiter nie gewollt, dass nach dem ersten unseligen Weltkrieg ein zweiter gegen England oder gar gegen Amerika entsteht. Es werden Jahrhunderte vergehen, aber aus den Ruinen unserer Städte und Kunstdenkmäler wird sich der Hass gegen das, letzten Endes verantwortliche Volk immer wieder erneuern, dem wir das alles zu verdanken haben: Dem internationalen Judentum und seinen Helfern!

Ich habe noch drei Tage vor Ausbruch des deutsch-polnischen Krieges den britischen Botschafter in Berlin eine Lösung der deutsch-polnischen Probleme vorgeschlagen - ähnlich der im Falle des Saargebietes unter internationaler Kontrolle. Auch dieses Angebot kann nicht weggeleugnet werden. Es wurde nur

verworfen, weil die massgebenden Kreise der englischen Politik den Krieg wünschten, teils der erhofften Geschäfte wegen, teils getrieben durch eine, vom internationalen Judentum veranstaltete Propaganda.

Ich habe aber auch keinen Zweifel darüber gelassen, dass, wenn die Völker Europas wieder nur als Aktienpakete dieser internationalen Geld- und Finanzverschwörer angesehen werden, dann auch jenes Volk mit zur Verantwortung gezogen werden wird, das der eigentlich Schuldige an diesen mörderischen Tingen ist: Das Judentum! Ich habe weiter keinen darüber im Unklaren gelassen, dass dieses Mal nicht nur Millionen Kinder von Europäern der arischen Völker verhungern werden, nicht nur Millionen erwachsener Männer den Tod erleiden und nicht nur Hunderttausende an Frauen und Kindern in den Städten verbrannt und zu Tode bombardiert werden dürften, ohne dass der eigentlich Schuldige, wenn auch durch humanere Mittel, seine Schuld zu büssen hat.

Nach einem sechsjährigen Kampf, der einst in die Geschichte trotz aller Rückschläge als ruhm-

vollste und tapferste Bekundung des Lebenswillens eines Volkes eingehen wird, kann ich mich nicht von der Stadt trennen, die die Hauptstadt dieses Reiches ist. Da die Kräfte zu gering sind, um dem feindlichen Ansturm gerade an dieser Stelle noch länger standzuhalten, der eigene Widerstand aber durch ebenso verblendete wie charakterlose Subjekte allmählich entwertet wird, möchte ich mein Schicksal mit jenem teilen, das Millionen anderer auch auf sich genommen haben, indem ich in dieser Stadt bleibe. Ausserdem will ich nicht Feinden in die Hände fallen, die zur Erlustigung ihrer verhetzten Massen ein neues, von Juden arrangiertes Schauspiel benötigen.

Ich hatte mich daher entschlossen, in Berlin zu bleiben und dort aus freien Stücken in dem Augenblick den Tod zu wählen, in dem ich glaube, dass der Sitz des Führers und Kanzlers selbst nicht mehr gehalten werden kann. Ich sterbe mit freudigem Herzen angesichts der mir bewussten unermesslichen Taten und Leistungen unserer Soldaten an der Front, unserer Frauen schause, den Leistungen unserer Bauern und Arbeiter und dem in der Geschichte einmaligen Einsatz unserer Jugend, die meinen Namen trägt.

Dass ich ihnen allen meinen aus tiefsten Herzen kommenden Dank ausspreche, ist ebenso selbstverständlich wie mein Wunsch, dass sie deshalb den Kampf unter keinen Umständen aufgeben mögen, sondern, ganz gleich wo immer, ihn gegen die Feinde des Vaterlandes weiterführen, getreu den Bekenntnissen eines grossen Clausewitz. Aus dem Opfer unserer Soldaten und aus meiner eigenen Verbundenheit mit ihnen bis in den Tod, wird in der deutschen Geschichte so oder so einmal wieder der Samen aufgehen zur strahlenden Wiedergeburt der nationalsozialistischen Bewegung und damit zur Verwirklichung einer wahren Volksgemeinschaft.

Viele tapferste Männer und Frauen haben sich entschlossen, ihr Leben bis zuletzt an das meine zu binden. Ich habe sie gebeten und ihnen endlich befohlen, dies nicht zu tun, sondern am weiteren Kampf der Nation teilzunehmen. Die Führer der Krmeen, der Marine und der Luftwaffe bitte ich, mit küssersten Mitteln den Widerstandsgeist unserer Soldaten im nationalsozialistischen Sinne zu verstärken unter dem besonderen Hinweis darauf, dass auch ich selbst, als der Gründer und Schöpfer dieser Bewegung, den Tod dem feigen Absetzen oder gar einer Kapitulation vorgezogen habe.
