Dear Sir:

I have read your information  
on UFO's in a True magazine.  
It was very interesting to. I  
gave a report on UFO's in school  
and am very interested in them.  
I'm hoping you will send me  
some more information. I'm not  
sure if this is the address to  
send this to, but if it isn't  
could you tell me where?

About six weeks ago thirty people  
and four police saw a UFO  
in the sky. They described it  
as being like a baseball and bright  
lights (round-like) This happened  
about two miles from our town.

I could hardly believe  
it! Also my wife and  
I saw a white object in the  
sky. Round - white, bright light -  
but small. It wasn't in  
anyone's line of sight.  
The next morning, I told  
my dad to look at it.

We went passed some trees  
and when we were in the trees,  
it had vanished!

Please send me some information  
on UFO's if you can. Thank-you  
for your time.

Sincerely,
