Dear Sir:

I heard on a news broadcast that information on a UFO sighting could be obtained from your office.

The one I'm interested in is the sighting made by a Japanese pilot about a couple months ago. I believe the aircraft was on a flight from Iceland across Canada and observed a UFO for about two hours.

Any information you have would be appreciated. If a fee is charged please bill me.

To Whom It May Concern:

On 2/25/87 I noticed an article in the daily paper (Newsday) called "The Complete UFO Kit". On this Associated Press article (from Anchorage, Alaska) JAL Capt. Kenjiyu Terachi\* reports that on November 17, 1986 his Boeing 747 cargo jet was shadowed by two belts of light as it crossed into Alaska airspace on a flight from Iceland to Anchorage.

I understand that you (the F.A.A) has a mail-order offer to the public since there has been such enormous public interest in the November sighting.

I have read that your agency (the FAA) is offering 20 individual items, ranging from a \$50 cassette tape of communications between the controllers and the flight crew, to a 30-cent copy of a FAA form summarizing the sighting. I understand that orders of less than \$5.00 are free.

I would like to order at this time the 30 cent copy of an FAA form summarizing the sighting plus all other material which would come to a total of less than \$5.00 (which would be free). If you could send an order sheet, it would be most appreciated in the event I would be interested in placing an order above the \$5.00 figure.

Please forward as soon as possible.

Paul Harvey, Newscaster, said on his radio program that you are sending out the details of the incident reported by a Japanese (I believe) airline pilot who saw an unidentified flying object. Said object was seen on your radar and other witnesses. I would greatly appreciate it if you could include me in your mailing of this material. I understand it is done as a public information service at no charge. If I am wrong and there is a fee please let me know how much it will be before you send it.

Enclosed  
Self-addressed  
stamped envelope.

Sincerely,  
Mrs. Connie Sellers
