USAF bomber crewmen rept seeing orange globes over Korea, F 20,3:1

Editorial on Life's (pub) acct of saucers, Ap 12, 10:2; W Kaempfert comment; disputes views, Ap 13, IV,9:6

GM balloon project reprs rept seeing strange 'aerial objects' over Minn and Wis, Ar 12,13:3; USAF capt repts seeing several saucers and 'cigar-shaped' objects over Jersey Shore, Pa, Je 24, 26:4; USAF O'Hare base, Ill, gets repts; no alert ordered, J1 4,29:8; 4 pilots rept seeing saucer over Hanford, Wash, atomic plant, J1 6,51:4

USAF probes rept by 2 airline pilots of 8 discs flying in formation, 150 mi S of Washington, DC, J1 17,4:5; USAF repr says 60 repts recd, last 2 wks, J1 18,5:3; USAF repts unidentified objects, 'perhaps saucers,' picked up on radar over Washington; held traveling 100-130 mph; airline pilots rept objects, Washington vicinity; 2 on SI, NY and 3 in NYC rept objects, J1 22, 27:6; USAF gets repts of objects from NJ to New Eng, J1 24,29:8; E C Johnston repts saucers hovered over area in Calif 4 nights; says 25 persons saw objects; 6 jets chase object over Ohio; USAF holds it weather-balloon, J1 25,19:2; USAF repts jet interceptors outstripped by objects spotted 2d time in wk by radar over Washington; pilot repts 4 lights; sighting by radar held to mean objects have substance; Iowa Univ astronomer C C Wylie holds objects sighted over Iowa to be planet Jupiter, J1 28,1:2; ed, J1 29, 20:2; USAF cites 24-hr readiness to challenge unidentified objects; explains 2-hr lag in chasing objects over Washington; objects seen over Tarrytown, NY, J1 29,23:6; USAF calls objects natural phenomena; to continue to probe repts; Maj Gen Samford views summarized; cites radar inaccuracies; says measurement method needed; objects again spotted by radar over Washington; NYS Air Raid Filter Center repts rise in 'sightings'; USN probes repts of objects off Fla; sighted over Bahamas, J1 30,1:2; ed on USAF statement, J1 31,22:3; W L Laurence explains mirages on radarscope; cites '51 explanation of Dr U Liddel, J1 30,10:2

Pentagon reprs rept getting 432 written repts of 'sightings' in '52, Ag 1,19:7; USCG releases daytime photo of 4 light flashes in sky taken by S R Alpert at Salem, Mass, air station; 2 USAF pilots checking repts spot object; hold it not reflection; objects reptsd, upper NYS, Ag 2,3:2; Canadian destroyer sights 2 objects over Korea; records them on radar; objects sighted over Tokyo and Calif; Prof D H Menzel doubts value of USCG photo; Illinois Water Survey radar station explains 'flying river' as Illinois River reflection, Ag 3, 7:1; comment, Ag 3,IV,2:5; theories cited; illus; cartoons, Ag 3,IV,7:1; Prof J A Browning Jr holds ball-lightning may be object reflected on radar, Ag 3,IV,8:5; Maj Gen Ramey repts none of 1,500 repts to USAF since '47 shows evidence of material objects; says no pattern estab, Ag 4,3:4; N Scott creates colored and other alleged saucer shapes by injecting ionized air into partial vacuum of Bell jar; says shapes have enough substance to be picked up by radar; explains high speeds and quick turns; holds low air pressure balanced against static electricity main factors for 'sightings'; Army Engineers repr says findings explain some of saucers; objects spotted by radar over Washington, DC, unsuccessfully chased by jets, Ag 7,3:8; Jr cites ionization of upper air by gamma rays from sun spots as cause, Ag 8,16:6; R R Coles sees rise in 'sightings' during annual Perseid meteor display; object with flashing lights spotted near mouth of Niagara River, NY, Ag 9,15:6

Navy plans series of cross-country balloon flights to forestall saucer repts, Ag 17,35:3; saucers reptsd in Venezuela and Colombia, Ag 18, 5:1; USAF releases details of talk between jet pilot and airport control tower just before he crashed while chasing unidentified object near Godman Base, Ky, Jan 7 '48, Ag 21,3:5; ed on Dr O Struve's on life possibilities on other planets and solar systems as debunking belief that saucers are space ships from another world, Ag 24,IV,8:3

2 jets fly directly through spot in Chicago sky where radarscope on ground register reflection from unexplained object; see or hit nothing; CAA ascribes reflection to atmospheric conditions, S 3,48:5; scientists at Internatl Cong on Astronautics, Stuttgart, not interested in saucers; do not believe they originate in USSR or on another planet, S 5,18:6; flame flashing over Washington, DC, believed meteor, S 13,15:5

CAA repr says moving white object seen over Montana probably Venus, S 21,V,9:8; W Ley holds saucers not space ships; doubts other-planet origin, S 22,17:7; 'big blue flame' noted by Idlewild Airport personnel, O 15,34:4; Deputy Premier Pervukhin (USSR) links saucers to US 'war jitters,' N 7,6:3

CAA repts saucers are reflections caused by temperature inversions; says cold air breaking out from layers of hot air cause radar beams and ground lights to rebound, D 11,35:8

6-ft disk found atop cliff, W Orange, NJ, D 16, 33:8; was dance decoration, D 17,52:1
